For use when there is at least one inventor employed in inventive activity  
by Corning O.T.I. SpA and the application is filed in the name of Corning O.T.I. SpA

**INVENTOR'S ACKNOWLEDGEMENT, ASSIGNMENT and UNDERTAKING**

I, Giorgio Ghislotti of Via dei Carpinì 23, I-22050 Monteveccia (LC), Italy, do hereby assert and acknowledge to Corning O.T.I. SpA, an Italian company, having its legal domicile at Viale Sarca 222, 20126 Milan, Italy (hereinafter COTI):

1 That I made as joint inventor with Paolo Bravetti of Via Cavalotti 100, I-20052 Monza (MI), Italy, and Gianluca Bacchin of Viale Sempione 21/10, 20020 Arese (MI), Italy an invention or a series of related inventions (hereinafter "said invention") relating to Lasers and Methods of Making them which is the subject of a patent application made to the British Patent Office on 21 March 2003 and having the application number 0306479.7 (hereinafter "said patent application")

2. That I am [or was at the time said invention was made] employed by COTI and the invention was made in the course of performance or fulfillment of my employment contract; that the sole or main purpose of that contract was that I should engage in inventive activity and was compensated accordingly; and so that the invention falls within the provisions of Article 23, first paragraph, of the Italian Patent Law (Royal Decree N<sup>o</sup>. 1411 of 25 August 1940 as amended)

3. That said invention and said patent application accordingly belong according to Italian law to COTI

FOR VALUE RECEIVED, I hereby sell, assign and transfer unto COTI, as assignee, and unto its successors, assigns and legal representatives, any and all right, title and interest that I may still have in said invention, for the United States of America and all other countries, and all Letters Patents or other rights of like nature that may be granted therefor; and I request that any and all patents and other rights for said invention be issued to COTI, its successors, assigns and legal representatives, or to such nominees as COTI may designate

I UNDERTAKE that, when requested, I will, without charge to COTI and at COTI's expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents or other rights of like nature for said invention in any and all countries and for vesting title thereto in COTI, its successors, assigns and legal representatives or nominees, for obtaining in respect of said invention any rights arising under the International Convention for the Protection of Industrial Property, the Patent Co-operation Treaty or any other International Agreement or Treaty whatsoever, and generally for giving effect to this Acknowledgement, Assignment and Undertaking.

I hereby CONSENT that a copy of this document shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of COTI, or its successors, assigns and legal representatives or nominees to the benefit of said invention and of this Acknowledgement, Assignment and Undertaking.

For use when there is at least one inventor employed in inventive activity by Corning O.T.I. SpA and the application is filed in the name of Corning O.T.I. SpA

I COVENANT with COTI, its successors, assigns and legal representatives or nominees, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

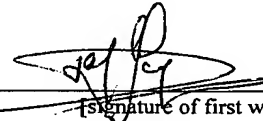

I AGREE that this Acknowledgement, Assignment and Undertaking shall be construed according to the laws of the State of New York, United States of America, and that the Courts of that State and United States Federal Courts shall have exclusive jurisdiction over it.

Signed at Milan Italy, this 18th day of May 2003
